

LEVEL 200 COURSES

CS201 Introduction to First Aid

Interactive discussion of First Aid. Not only will we look at various injuries and how to treat them, but also will discuss how to become certified in First Aid and why it is important. This class is recommended for all Leaders.

CS202 Knots, Knives and Fire

Learn how to teach knots and knives to Cub Scouts. This teaches methods and materials to enable a scout leader to confidently teach skills needed for Bears whittling chip, fire starting & extinguishing, and other Bears and Webelos Adventures, for a safe and fun experience.

CS203 Emergency Den Meeting Plan B “MacGyver 101”

Your den meeting is the same time and day every time, but just like Christmas, den meetings find a way to sneak up on you. After today, you will have several plan B activities to keep your scouts happy, and parents think you planned it! Ever have a night where the boys are just OUT – OF – CONTROL??? Put the adventure aside for another night and break out Plan B!!

CS 204 Derbies, Rockets, and Regattas

Event Planning, Logistics, Recognition, and more! Learn how to plan a successful Pinewood Derby, Space Derby or Rain Gutter Regatta!

CS 205 Cub Grub

Simple and easy outdoor recipes and techniques to satisfy any Cub appetite. Includes food safety techniques, practical tips, and snacks!

CS206 Cub Bling: Non-Rank Advancements

One of the best part of Scouts is the Advancements. We all work hard to help the boys earn their rank advancements. Did you know that there are many other Awards that can be earned? Learn about some of the awards that boys, leaders and the Pack can earn.

CS207 Recruitment

Learn new, fun, and innovative ways to boost your pack recruitment and get your leaders excited to welcome new scouts!
