

# PEAK Program

New for 2017!

## Program Information

The PEAK Program is a fantastic program designed for older Scouts who are close to the Eagle Rank or have recently obtained the rank of Eagle. The program has no additional cost associated with it. Scouts will spend Monday, Tuesday, Thursday and Friday in the program. Participants will learn what it means to be an Eagle Scout. Scouts will enjoy a week of exciting events such as mountain biking, earning merit badges, leadership activities and hiking. Participants will need long pants and a long sleeve shirt. Participants also need to have a notebook for the class. The following is a sample schedule.

Day	Activities
Monday	Low rope challenge, Wilderness survival and Leadership development
Tuesday	Merit badges needed for Eagle
Wednesday	No classes
Thursday	Hiking and Mountain biking
Friday	STEM activities, Eagle seminar and Graduation
