Please observe the following for all camps:

1. Abide by the Guide to Safe Scouting.

- Please review the hazardous weather program on the BSA Website—at least one adult must have this training for any unit to attend.
- Minimum leadership requires at least 2 adults must be present and in direct supervision of unit youth at all times. Both must have up to date Youth Protection Training. The buddy system must be observed by ALL scouts.
- Smoking is prohibited. If an adult must smoke, the only area allowed is at the far end of the parking lot near the stream.

2. Arrival and Departure:

- Check in and check out with the Camp Ranger or Campmaster.

3. Vehicle Usage:

- One vehicle may transport equipment to the campsite for weekend use. Troop trailers and the one vehicle to move the trailer(s) are allowed to stay in the campsite. DO NOT BLOCK roads.
- Handicap vehicles will be allowed near the campsite as determined by the ranger or campmaster.
- Use of electric vehicles for handicapped persons must be approved as part of the council permit and MUST only be used by those with that need. There is to be no riding by others and no one in the back without a seat

4. Trash: All trash must be taken to the dumpster or taken home.

5, **Projects:** You must make arrangements in advance to do a service project..
