2019 BSA Scouting Expo and Open House

Join the adventure!

Get a taste of the Scouting adventure through games, activities, and exhibits.

Leaders from local Scouts BSA Troops and Cub Scout Packs as well as representatives from Blue Ridge Council will be on hand to answer questions and get you registered.

Scouting is for all youth ages 5-17.

Why scouting?

*Kids just think scouting is **fun**. Adults understand that scouting teaches kids valuable **life skills**.*

For more than a century, scouting has prepared youth for life by building confidence, instilling character, encouraging physical and mental fitness, and developing leadership skills.
