As we head into a new camp season I want to thank everyone that has been involved in the Scoutmaster Summit meetings. The love for Camp Old Indian is stronger than ever. I couldn’t be more excited to have Josh Hipps take over as Program Director for the Council and as our Summer Camp Director. I truly look forward to working with him for years to come. As Josh and I build on a very successful 2019 season, we are super excited going into 2020. We took suggestions from Troops seriously in order to continually improve our program. Camp Old Indian holds a special place in our hearts from the adults that remember coming as a youth to a new scout coming for the first time. We are excited to offer open programming on Wednesday afternoon for the summer of 2020. Thank you for being a part of the Camp Old Indian Family!

Yours in Scouting,

Gary Dean
Camping Committee Chairman, Blue Ridge Council
Scoutmaster Troop 227
WHY CAMP OLD INDIAN?

The clear choice for your youth this summer is Camp Old Indian.
Here are just a few of the reasons why!!

NATIONALLY ACCREDITED CAMP

We are a Nationally Accredited Camp. Our Camp is inspected by a Boy Scouts of America visitation team annually. We pride ourselves in not only meeting but exceeding all standards and regulations. We have been awarded the highest inspection rating since 1983.

OUTDOOR PROGRAM AND FACILITIES

You can’t take the "outing" out of Scouting. The outdoor program is one of the biggest features about Scouting that appeals to Scouts, and a week at summer camp is a mountain-top experience. No youth has ever forgotten the fond memories and experiences from summer camp. The program, activities, and facilities can’t be beat. Camp Old Indian provides a variety of programs and facilities to match your unit’s needs and desires. Strict health and safety standards are maintained at all times. Emergency facilities are available, and medical re-checks are made by a trained health supervisor.

ADVANCEMENT AND STAFF

Advancement opportunities are second to none. Scouts work on rank advancement, merit badges, and other awards while being presented unique opportunities that will not be found anywhere else. An enthusiastic, well-trained staff is always available!!!

CAMP ASSIGNMENTS
Campsite assignments will be based on:
• Meeting the required deposits
• Adequately filling the site, 80% of capacity
• The date payment is received

The Camp Director reserves the right to make changes in campsite assignments to maximize camp participation and for other reasons deemed reasonable and necessary.

If a campsite total capacity is not utilized adequately, a larger unit may be assigned to the campsite and the unit may be moved to a site that would better suit its attendance.

CAMPSITE DEPOSITS
March 15, 2020 $100.00 per Scout Deposit Due
May 15 2020 $200 Final Payment Due per Scout

REFUNDS
The Blue Ridge Council makes every effort to have enough patches, programs supplies, t-shirts, food or whatever supplies each event requires. In order for that to happen we need to have accurate attendance numbers. Once you have registered or made a deposit for an event we are counting on your attendance and we will be purchasing the needed items for the event. Due to this fact we cannot refund event and activities fees for any reason.

Sign up your Scout for June 21st-June 27th or June 28th-July 4th

Every scout deserves a week at camp and there are so many opportunities some scouts may want to attend camp twice in one summer. We have developed a program to meet that need. The Lone Ranger is also designed for scouts who want to attend COI, but their troop attends another camp or goes when the family has a vacation planned. If your scout attends week 1 or week 2, they will receive a discount to “bounce back” and come to camp for addition programs during week 3 or 4. We also offer Day Pass registrations for Scouts that want to come to camp and work on a specific Merit Badge.

If you choose to send your Scouts to Camp for the Lone Ranger Program, they can enjoy countless fun activities. There are several Merit Badges available for them to earn, and they can sign up for any of the many other programs in this guide!!!

We have a couple choices available for you so your Scout doesn’t miss out on the local Scouting experience:

**Option A:** Week 3 (June 21st-June 27th) or Week 4 (June 28th-July 4th) They will be part of the Lone Ranger Patrol.

**Option B:** Day Pass; this is an opportunity for your Scout to spend the day at camp and earn a Merit Badge or participate in some of the fun activities Camp Old Indian has to offer.

SUMMARY OF CHECK IN PROCEDURES

CHECK IN
Check in begins as early as 12:30 until 3 PM in the Camp Office. Units will park in the main parking lot. Troop or Crew equipment and trailers will be moved by the staff using camp vehicles.

CAMP OFFICE
Scoutmasters will check in at the camp office. After the scoutmaster is finished in the office, the troop will be provided a camp staff member to guide them during the rest of the check in process.

FIRST AID LODGE
Your troop will visit the First Aid Lodge. You will need to turn in the following:
- A copy of your filled out unit roster (Page 48)
- Your unit’s completed medical forms

DINING HALL
Next your staff guide will take you to our dining hall. You will be greeted by our Dining Hall Steward, who will give you table assignments and explain our table waiter system. More information about our Dining Hall and food service can be found on page 12.

WATERFRONT
Last you will be taken to the waterfront to take your swim test if needed. Though not required, it is highly recommended that units have their swimming attire easily assessable prior to their arrival to camp. This will help your troop to get through the camp tour quickly and enjoy some down time prior to Sunday dinner! Units that have elected to have swim test conducted prior to camp, will turn in the Pre-Swim Check form (Page 52) and fill out their buddy tags while at the Waterfront.

OTHER AREAS YOUR TROOP WILL VISIT DURING TOUR
- Shooting Ranges
- Trading Post
Patterson Dining Hall

Family Style
Camp Old Indian will run family style meals at breakfast and Dinner. The table waiters will not only set the table but also bring ALL food to their table. After grace outside, you will go into the dining hall (no more concern about who goes first) and immediately sit down at your table where the food will already be in serving trays placed there by your waiter. Troop Leaders and staff will oversee serving distributions (family style!) at each table. This to eliminate food waste and time spent in line not only for the first serving but also seconds since only the waiter will go to the kitchen for seconds based on demand. A Scout is courteous. The SPL and other experienced older scouts should do waiter duty on Sunday dinner to set the standard.

Menus
Dining Hall menus are well-balanced and designed to feed hungry Scouts and leaders. In addition to the main entree offered at each meal, other options are available for those with special dietary needs. Fruit, peanut butter and jelly, and a salad bar is available at most noon and evening meals. Be sure to notify the dining hall director of any special needs before camp.

Table Waiter System
1. Units will be assigned tables on Sunday afternoon and will sit at these tables for every meal.
2. Table waiters will be assigned for every table and will serve for two meals beginning Sunday evening, then rotating with other Scouts in the Troop.
3. Table waiters will report to the dining hall at 7:45 a.m. for breakfast, and 5:45 p.m. for dinner.
4. Table waiters will set up their Troop seating area before meals, and will clear the area after meals. Clean-up includes wiping tables and sweeping around the tables and mopping.
5. After the meals, the waiter leaves the dining hall when they are dismissed by the Dining Hall Steward.
6. Lunch is a Drop-In system. Troops are to sit at their assigned tables and are responsible for cleaning up where the troop eats.

Wednesday Dinner Options
Some troops have families bring food up for their scouts and choose to not eat in the Dining Hall for visitors night. However all Troops are welcome to eat in the dining hall for Wednesday meal. Troops will need to decide by Monday morning’s leaders meeting so the dining hall staff can be prepared to serve any troops or guest on Wednesday night. Guests are welcome, but will need to pay $5.00 for the meal. Wednesday night menu is a choice of low country boil or hotdogs and hamburgers!!!

The Pathfinder Program is a two and a half day program (Monday through Wednesday Morning) which is designed for Scouts who have just joined a troop and/or have just crossed over from Cub Scouts. The program is designed for participants to complete many requirements for Scout, Tenderfoot, Second Class and several requirements for the First Class Rank. This is a transitional program to help your Scouts understand basic Scouting skills, have new experiences and have fun.

**PROGRAM GOALS**

- To provide a well-organized program lead by qualified instructors.
- To instill in the Scouts a respect for the Scouting Methods and Ideals found in the Scout Oath, Law and the Outdoor Code.
- To provide an exciting and memorable summer camp experience.

**BEFORE SENDING SCOUTS TO THE PATHFINDER PROGRAM**

- Ask an older Scout in your troop to show the new Scouts how to read and use the Scout Handbook.
- If your troop has more than four boys participating in Pathfinder, please provide an adult leader to assist the Patrol Guide (Staff Member) throughout the program. This is an excellent opportunity for the new leader in your troop to learn about Scouting. Troops may rotate their leader through the week as needed. This assistance also qualifies a leader for Scoutmaster Merit Badge.
- Host a shakedown prior to summer camp to make sure that the Scouts have all the equipment they need for the week. Below is a list of the items the Scouts need specifically for the Pathfinder program:

A DAY IN PATHFINDER

The Pathfinder Program begins at 9am on Monday morning. On Monday morning, Scouts will be organized into two groups and meet their Pathfinder staff member. These staff members are experienced Scouts that will work with your Scouts as their instructor and mentor for the duration in the program. Scouts may be instructed by different staff throughout the day. We will attempt to place Scouts of the same troop in the same group. We will give the scouts their Pathfinder Passport which they need to have with them at all times.

Below is a typical day for Scouts in the Pathfinder Program:

- 9:00-9:15 Opening will take place in the Pathfinder Shelter.
- 9:15-12:00 Patrol Time Specific time at a site to work with the Patrol Guide on rank requirements.
- 12:00-2:00 Lunch and Free Time
- 2:00-5:00 Patrol Time More time to work with Patrol Guide to work on rank requirements.

In addition on Tuesday Morning, aquatics requirements for Second and First Class ranks will be covered. A day will be scheduled for the Pathfinder Patrol to take a five mile hike. The optional hike will probably take place on Wednesday morning. If they do not go, they will stay at camp and work on additional requirements or have the option to take a merit badge that is offered. Scouts going on the hike will leave around 9:20. Please send at least one leader from your troop on the hike with the Scouts.

PATHFINDER ADVANCEMENT AND GRADUATION

Along with the Patrol Guide signing off in the Scout’s Pathfinder Passport, each Scoutmaster will receive an advancement sheet with the requirements their Scout completed during the program.

Scouts who participate in the Pathfinder program will be recognized during the Wednesday evening campfire. Pathfinder participants will receive a certificate and a special Pathfinder patch.

GETTING THE MOST FROM PATHFINDER

In order for your Scouts to truly take advantage of the Pathfinder Program, there must be a leader committed to working with the Scouts throughout the program. For example, leaders should ask to see the Scouts’ passports each night and test them on what they have learned. If you, as a leader, are satisfied with the Scout’s knowledge, then sign off the requirement in their Scout Handbook. Though there will be informational meetings and announcements, we encourage you to seek out the Pathfinder Director if you have any questions or concerns.
The merit badge program is the cornerstone of the summer camp program, and Camp Old Indian offers a wide selection. Most merit badges can be completed at camp. However, there are a few that need some additional work at home because of time requirements, special projects, or other considerations. In addition, some merit badges require prerequisites or practice to develop proficiency in specific skills. Registration for classes can be made at https://scoutingevent.com/551-CampOldIndian2020.

If your council requires blue cards, please bring them with you to camp. The cards should be completely filled out by the unit and brought to the Department Director, Camp Commissioner and/or Program Director for an official signature. Scoutmasters will be able to print off their units advancement activities through scoutingevent.com/551-CampOldIndian2020. The report will include what requirements the Scout completed and did not complete. Some merit badge requirements cannot be completed at camp, but those requirements may be completed before or after camp. It is the unit’s responsibility to transfer this information to the corresponding blue card.

The next few pages present an outline of what badges are offered, what day they are offered on, a short description and any additional fees. Camp Old Indian offers merit badges using a block schedule format. This is a description of how the block schedule will work: Scouts will focus on one or two merit badges a day. Most merit badges are whole day badges such as Environmental Science and Canoeing. Scouts who take whole day merit badges will take this badge the entire day and finish requirements on the day they take it. Some merit badges, as noted on the table on the next page, are half-day badges. A Scout may take two half-day badges in one day and complete them if the badge is able to be completed at camp. Cooking, Pioneering, Journalism, Moviemaking and Photography are taught in two parts. The first part is taught all day and the second part takes place during Twilight. Electricity, Farm Mechanics and Plumbing are also taught in two parts. The first part is all day Tuesday and the second part takes place on Thursday. A Scout must attend both parts in order to complete the badges. Benefits of the block schedule include, but are not limited to: no wasted time transitioning between classes, more instruction time, more flexibility for troops to take a day trip on the Nantahala, etc.

The Order’s ceremonies are not public nor are they in any way meant to be a social affair. Although the content of the ceremonies are private, they were written to avoid offending any religious belief and have received the approval of religious leaders. The ceremonies are true to the Scouting tradition and within the spirit of the Scout Oath and Law (From Order of the Arrow Handbook).
CAMP OLD INDIAN POLICIES

TOBACCO AND VAPING PRODUCTS
Smoking and vaping is not permitted in camp nor is the use of tobacco products by anyone under the age of 18. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking area locate away from participants.

CONTROLLED SUBSTANCES
Alcohol and illegal drugs are not permitted on camp property. Medication may either be kept by the Scoutmaster in the campsite or at our Health Lodge. You are not allowed to use a firearm if you are taking medications that cause drowsiness or include a warning to not operate machinery while taking this drug.

FIRESAMS
Personal Firearms are strictly banned from camp property. Firearms and ammunition are available for merit badge courses and free-shooting through the Field Sports Department. Under no circumstance should ammunition be stored at camp anywhere except the Field Sports House under the jurisdiction of the Field Sports Director.

TROOP LEADERSHIP
Each Troop must have two registered adult leaders in camp at all times, one of whom must be 21 years of age or older. The other unit leader may be 18. All leaders must be registered with the Boy Scouts of America. If there is a substitution of unit leaders during camp, then there needs to be an overlapping period in order to maintain program continuity and adult supervision over the Scouts at all times. This overlap will allow time for the leaders to relay information needed to guide the unit properly. Leaders should sign in and out at the Camp Office.

INDIVIDUAL SCOUTS LONE RANGER SCOUT PROGRAM
Scouts can sign-up on their own without a troop leader during June 21st-27th and June 28th-July 4th, Weeks 3 and 4. Registration information can be found on page 7.

VEHICLES IN CAMP
Absolutely no vehicles will be allowed beyond the Parking Lot. At check-in and check-out, Troop or Crew equipment will be moved by the staff using a camp vehicles. All vehicles must be parked in the large parking area. The small lot by the Camp Director’s cabin must remain clear for emergency access and is limited to staff parking only.
**CAMP POLICIES CONTINUED**

**GUESTS AND VISITORS**

Parents and family members are encouraged to visit camp on Wednesday after 5:00 pm. Guests during the rest of the week will disrupt the camp programs and are not permitted.

**GOLF CART RULES**

1. All private golf carts must be licensed by the state.
2. Users must provide a letter from a doctor stating the need for the use of a golf cart.
3. No unauthorized motorized vehicles will be used as handicapped vehicles on the camp property.
4. Golf carts are not to be used to haul gear.
5. Drivers must be 18 or older.
6. Golf carts are not to exceed 5 mph at any time.
7. Campers have the right of way at all times.
8. Proof of Insurance must be brought to camp and verified with proper liability insurance coverage.
9. The form on page 53 must be completed and brought to camp.

**HEALTH AND INSURANCE**

Blue Ridge Council units use the council insurance policy (information and forms were provided to each unit). Other units must provide their own accident insurance. Unit leaders must bring to camp check-in: (1) Policy number, (2) Claim forms, (3) Name of insurance carrier. Camp medical forms must be complete.

Medical expenses incurred by youth and adults while in camp (doctor, hospital fees) will be paid by the parents own insurance. The Council or unit insurance policy is a secondary insurance policy. Leaders should be ready to provide the Scouting insurance number in an emergency. It will be the responsibility of the Scouts parents and unit leader to make any claims for insurance. The parent or guardian’s insurance will be used to make claims for insurance. However, Blue Ridge Council units may file up to $300 on the Council Policy, regardless of other coverage. Parents will be called if a Scout has to be taken to the doctor or hospital.
GUIDELINES ON YOUTH PROTECTION

TWO DEEP LEADERSHIP

Two registered adult leaders or one registered adult leader and a parent of a participant, one of whom must be 21 years of age or older, are required on all trips and outings. The chartered organization is responsible for ensuring that sufficient leadership is provided for all activities. All leaders or parents staying on camp for more than 72 hours must complete an adult leader application, background check and youth protection training prior to arrival.

NO ONE ON ONE CONTACT

One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, the meeting should be conducted in view of other adults and youth.

RESPECT OF PRIVACY

Adult leaders must respect the privacy of youth members in situations such as changing into swimming suits or taking showers at camp and intrude only to the extent that health and safety requires. They must also protect their own privacy in similar situations.

SEPARATE ACCOMMODATIONS

Separate shower and latrine facilities have been made available for youth and adult use during camp. Should the need arise, separate shower and latrine accommodations can be made for males and females in a unit.

CABINS

In the event that a troop is staying in cabins, the troop can handle separating the adults in one of two ways:

1. The leader(s) may stay in tents (which can be provided by the camp).
2. A tarp/partition may be erected to separate the youth from the adults within the cabin.

Campers requiring special treatment such as insulin, etc., should provide necessary medications and make written arrangements with the Health Officer.

FIRE
In the case of fire, evacuate the tent, building, or area immediately. Notify the Program Director, Ranger, or Camp Director or the nearest staff member who will direct you from there.

Stay Calm! Immediately notify the Camp Medical Officer or nearest staff member. All injuries must be logged in at the Health Lodge.

CHILD ABUSE
Suspected child abuse—whether physical, mental, emotional, or sexual—should be reported to the Camp Director or, if he is not present, the Program Director or Ranger. You should try not to seek proof yourself.
